Dear Matthew

At a recent Committee Meeting of the Toowoomba Turf Club, discussions were raised regarding admission of owners holding a current owners card into Clifford Park and allowing access to exclusive Members areas.

A decision was made by the Committee for holders of a current owner's card to be allowed access to Clifford Park Racecourse, and complimentary admittance to the Weetwood Members Area regardless of whether or not they have a horse racing on the day, with the only exception being feature race days.

We hope that owners find this a favorable initiative, and we look forward to extending our hospitality to all owners in the future.

Regards,

Nicole Condon
Acting Secretary
